10 Gigabit Migration Kit

Help your customers to migrate to 10G infrastructure effortlessly

DXS-1210-10TS

Layer 2 10 Gigabit Ethernet Smart Managed Switch

- Basic Layer 3 Features: Default Routing, Static Routing
- G.8032 ERPS for high reliability & network stability
- VLAN : IEEE 802.1Q, Port-based, Auto Surveillance VLAN, Auto Voice VLAN
- Security : Access Control List, D-Link Safeguard Engine, ARP Spoofing Prevention, DoS Attack Prevention
- Network Management : SNMP v1/v2c/v3, Compact CLI support, D-Link Network Assistant Utility for Easy Installation

NOW S\$1,660.00

SRP: S\$2,150.00 (incl. GST)

DXS-3600-16S

Layer 3 10 Gigabit Stackable Managed Switch

- 10 Gigabit SFP+ ports X 8 and open expansion slot X 1
- Switching capacity of up to 480 Gbps
- Up to 160G stacking bandwidth with four devices functioning as one
- Hot-swappable power modules for power redundancy and load sharing
- Hot-swappable fan trays with airflow control provide cooling redundancy

NOW S\$6,441.40

SRP: S\$9,241.00 (incl. GST)

Optional 10G Accessories:

DEM-431XT

10GBASE-SR Multi-Mode SFP+ Transceiver (300m)

S\$378.00

DXE-810T

10GBASE-T RJ-45 PCI Express Adapter

S\$435.00

DEM-432XT

10GBASE-LR Single-Mode SFP+ Transceiver (10km)

S\$560.00

DXE-820T

Dual Port 10GBASE-T RJ-45 PCI Express Adapter

S\$767.00
